UNIVERSAL JOINT IMPACT SOCKET ADAPTERS **4 SKUs**

- Reach tight spaces with up to 30° of angled drive capability.
- Impact rated for use with impact sockets and impact tools.
- Bold laser-etched markings for quick and easy size identification.
- Improves accessibility and operator comfort during fastening.
- Available in 1/4", 3/8" & 1/2" drive sizes or as a 3pc set.

MAGNETIZED BIT SERVICE

- Upgrade your bits with cost-effective magnetization in as little as one week.
- Keep fasteners securely in place for improved precision and control.
- On-demand magnetization right before shipping ensures maximum magnetic strength upon delivery.

UNIVERSAL WRENCHES **6 SKUs**

- Extended 7" reach combined with a tension sleeve to hold the desired drive angle allows users to access hard to reach fasteners in production and assembly environments.
- Industrial grade universal wrenches provide durability and consistency for high torque and repetitive processes.
- Chamfered opening helps to engage the fastener more easily and quickly.
- 1/4" Hex shank drive compatible with standard impact drivers and drill chucks.
- Sizes available: 1/4", 5/16", 3/8" 7/16" 1/2", 9/16"

L-KEY SETS 10 SKUs

- CNC chamfered tips for quick screw alignment and ideal fit.
- 2 drive ends for versatility.
- Durable case keeps L-keys organized and folds for easy access and compact storage.
- Heat treated alloy steel for high torque applications.
- Offered in 5 drive types: Hex, Hex Tamper, Ball-End Hex, Torx®, Torx® Tamper

IMPACTECH® HEAVY. DUTY. BITS.

- Patented torque absorbing ring design allows the bit to be used longer and drive more fasteners without breaking.
- Color code size ID bands allow users to quickly identify the bit they need.
- Extensive life cycle testing has proven Impactech to last over twice as long as leading competitors.
- CNC machined tips give Impactech bits the best fastener fit in the industry so you strip less screws.

The comprehensive Impactech line includes:

- INSERT BITS
- POWER BITS
- DOUBLE-END BITS
- MAGNETIC NUT DRIVERS
- IMPACT SOCKET ADAPTERS
- MAGNETIC BIT HOLDERS
- IMPACT BIT SETS
- MERCHANDISER DISPLAYS

250+ SKUs

SOCKET BIT SETS 9 SKUs

- Proprietary precision CNC machined tips for excellent fit in fastener recess.
- 1-piece construction maximizes torque and increases durability when used with impact tools.
- Premium aluminum storage rail with adjustable and removable storage clips.
- Offered in 1/4", 3/8" and 1/2" square drive sizes with SAE/MM Hex and Torx® tip configurations.

FOLDING HEX KEYS 7 SKUs

- Color-coded handles to quickly identify your set.
- Engineered for accuracy: chamfered tips speed up screw alignment.
